TEENS: Head to North Dakota This Summer for Free!

Codington-Clark Electric Cooperative, Inc., will be sponsoring an all-expenses-paid excursion to North Dakota. The South Dakota Rural Youth Excursion will give these students the opportunity to learn and see where and how electricity is generated.

The Youth Excursion Tour will be held July 22-25, 2019, and is headquartered in Bismarck, N.D. All area high school freshmen, sophomores and juniors whose parents or guardians are members of Codington-Clark Electric are eligible to apply.

Young people attending this event will:

- Have the opportunity to sightsee and to meet new friends from other participating cooperatives.
- Learn about “The Story Behind the Switch” and see where South Dakota’s electricity generates.
- Tour the Great Plains Synfuel Plant, Freedom Coal Mine and Antelope Valley Station Power Plant.
- Spend their evenings swimming, shopping and cruising on the Lewis and Clark Riverboat.

Codington-Clark Electric will provide transportation, lodging, meals, entertainment and sightseeing events. Students are required to supply their own personal/shopping money.

To apply for the Youth Excursion, fill out the registration section on this brochure.

Deadline is May 1.
